

Welcome to the Historic TreasureS Hunt

Starting Friday, September 18 at noon

Here's how it works.

- All plaques are hanging in plain sight (but you might have to look to the sides of what they're hanging from!). The clue to the next plaque will be on the back.
- When you find a plaque, mark its number on its location on your map.
- As you move around town looking for plaques and clues, PLEASE BE CAREFUL!
- Please be respectful when you find yourself on or near private property.
- IF YOU GET STUCK, just call 667 2382 (the Donaldsons) and we'll help you get back on track!
- When you're done (even if you haven't found all of the plaques!), drop your marked map at the Town Hall (there's a drop box there now) by Monday, October 5. DON'T FORGET TO PUT YOUR NAME ON IT so you have a chance to win a plaque in our drawing!

HERE'S YOUR FIRST CLUE:

More people come to this place every week-day than to any other building in Lamoine! Look for the plaque outside this big building, around to the left. (On a smaller building!)

HAVE FUN!

(More details on the reverse side)
